

## **Copyright and Intellectual Property Guideline**

Smart Communications, Inc. (SMART) and the Smart Schools Program (SSP) respect the intellectual property of others, and we ask our partners to do the same. Smart and SSP have no responsibility for content on other web sites that you may find or access when using SSP services. Material available on or through other web sites may be protected by copyright and the intellectual property laws of the Philippines, the United States and/or other countries. The terms of use of those web sites, and not the SSP Hosting Terms of Service, govern your use of that material.

It is Smart's policy, in appropriate circumstances and at its discretion, to disable and/or terminate the accounts of users who may infringe or repeatedly infringe the copyrights or other intellectual property rights of Smart, SSP, and/or others.

By becoming part of our online community, your school expressly warrants to Smart that you have the right to use any patented, copyrighted, or trademarked material which you use, post, or otherwise transfer to Smart servers.
